

*"SMALL TOWN WITH A BIG HEART"*

## Community

**"MYAC Angel Tree"** – Each year the Mayor's Youth Advisory Council adopts a local family during the holiday season and is asking for your help! To participate in this great cause, please visit the Christmas tree located in the lobby of the Iona City Building. Pick an angel from the tree, see the number on the front and sign out your angel with office staff. Please return your wrapped gifts by December 18<sup>th</sup> and sign your angel back in with office staff. You may also call the City Office at (208) 523-5600 and we can help you select an available angel to support.

**" Welcome Council Member Wadsworth"** – Our new City Council Member, Peter Wadsworth, was appointed and sworn in by Mayor Gubler on November 20, 2018.

"I have lived in Iona for almost two years now. Previously I lived in Idaho Falls, near Ucon and

prior to that I lived in St. Anthony, another lovely southeast Idaho small town. I enjoy living in a small town with a big heart. I have lived in different areas of the country including Bradenton, Florida and Palmyra, New York. I graduated from high school in Palmyra. I earned my Bachelor's Degree from Utah State in 1999 and have lived in southeast Idaho since then. I come from a family of four children and my dear parents retired to Utah when I was attending Utah State. I have six children, my oldest is 27 and my youngest is 16. I claim all six as mine but I married my wife in 2005 and she had two children.

## Public Works

**"Driveway Markers"** – Metal driveway markers are not allowed within City limits as they may cause damage to City and personal vehicles and equipment. Fiberglass driveway markers are acceptable and preferred.

**"Swiftreach"** – In our efforts to provide more reliable communications with the residents of Iona, we have implemented Swiftreach Networks, Inc. as our Emergency Notification service provider. If you are not receiving these notifications, please go to our website, [www.cityofiona.org](http://www.cityofiona.org), and click on the image as shown below to register.

**"Snow Removal"** – We are determined to provide outstanding snow removal to keep the roads safe during the winter season. This can only be achieved through a partnership between RESIDENTS and the CITY.

Residents need to remove all vehicles, trailers and boats from the streets. Ridges of snow around vehicles parked on streets will freeze and can prevent or slow down future snow removal. In anticipation of any precipitation event, please remove all vehicles from the street. Any vehicle in violation may be removed by or under the direction of the City's Police Department and may be impounded.

Iona City Code Title 6, Chapter 4, Section 8B reminds all owners, renters, and persons in charge of real property are to remove all snow and ice from sidewalks within 24 hours after any precipitation event. It is unlawful to place snow or ice removed from private property upon any public sidewalk, street, easement, right-of-way, or other public way, or alleyway. The following persons shall be exempt: (1) a person who is physically or mentally impaired in such a manner that they are unable, (2) a pregnant person, (3) a person who is eighty (80) or more years of age, and a lessee who occupies a multi-family dwelling unit owned by another person or entity and who is not an agent of the owner or a lessee having a legal and/or contractual duty to remove hail, snow, sleet, and/or ice from the sidewalk.

**Your efforts will help our City employees be more efficient during snow removal and make this a safe winter season!**
