

# T-BALL Coach's Packet

Thank you so much for coaching!! We are excited to start the new season and hope you and your team have FUN!! Please turn in your packet, complete with roster, all player fees, signed waivers, and signed code of conduct to the city office building on registration day. **No early, late, or incomplete packets will be accepted. Please don't tell your team members to come sign up individually.** We are requiring background checks on all head coaches. These will be provided by the City of Iona and will be viable for 2 years. Team names and shirt colors are available on a first come first serve basis. If you are not able to fill a team, you may add players from our City of Iona Sports page on Facebook. Players must play at grade level or up, but will not be permitted to play down a level. Practices are held at each coach's discretion; if possible please try to hold 2-3 practices before the beginning of the season. There are several options for practice fields near the different elementary schools. We would like to keep the fields at the Iona Square available for the pitching machine and softball teams.

# T-Ball Rules

\*A thrown bat will result in one warning and then will be an automatic out. This is for the safety of everyone. After 2 games it will be an automatic out. No warning!!

\*No player will strike out. They will all get a chance to hit the ball and run to first base.

## For PreK:

\*10 batters will bat every inning.

\*Outs will only be counted on the score sheet and the player can continue to run the bases.

\*Only one base can be taken on a hit. Players are allowed to take extra bases on the 10<sup>th</sup> batter.

\*No running on an overthrow.

\*Try to coach from the sidelines, but it may be necessary to be in the field to help. Please use good discretion.

**\* New Rule— It will not count as an out if fielders run the ball to the base, unless they are occupying that base. They need to throw the ball to get the out. For example, pitchers running the ball and putting it on the tee, or trying to race to tag at home (or any other base) will not count as an out. They need to throw it to the catcher or baseman.**

## For K-1st:

\*The “at-bat” for each team will end when three outs are made. If three outs are not made, the teams “at-bat” will end when 10 batters have batted. One base will be allowed on an overthrow. A runner cannot advance home on an overthrow.

\*Coaches may help with batting, but will not be allowed in the field unless there is an injury or need to make a quick switch. Please don't stand in the batting area after you've helped the batter.

\*A team must begin each game with at least 6 players.

\*No bunting is allowed.

\*Runners may not lead off the base. On a hit, the runner can advance as far as they can until the ball is in the infield. Once the ball is in the infield, the ball is considered dead. It will be the umpire's discretion of when the ball is in the infield.

Please be compliant if you are asked to send a runner back to a base.

\*No new inning will start after 50 minutes. Please be on time. There will be a 10 minute grace period, then a forfeit will be counted.

\*It is important to teach players to play all positions. Please do not have them play the same position for more than two innings per game. Please remember they've all paid and deserve to play as much as possible regardless of talent level or practices they have attended. No player should sit more than one inning per game.

**\* New Rule— It will not count as an out if fielders run the ball to the base, unless they are occupying that base. They need to throw the ball to get the out. For example, pitchers running the ball and putting it on the tee, or trying to race to tag at home (or any other base) will not count as an out. They need to throw it to the catcher or baseman.**

\*Players should play their position. Shortstops or rovers must play deeper than the pitcher, and catchers should field anything short. Basemen should play off the bag two to three feet, not directly over top of it. Outfielders should play at least where the outfield grass starts. All players, especially the pitcher, need to learn to throw to the base they are trying to get an out at, instead of running with the ball. If it makes sense to easily tag a runner, or easily touch the base on a force with a few steps, do it, but in the past several kids stand around and watch the pitcher run to get all the outs. Please do not encourage your pitchers to field the ball and then beat the runner home (or to any other base). Please teach them to throw the ball. This will help their development for future leagues.

\*To keep the games moving along, please have your lineups set before the game so that you know each inning where players will play. This will help you keep track of where kids have played and how many times they have sat. If at all possible, have a coach at 1<sup>st</sup>, 3<sup>rd</sup>, and someone running the batting order. This will help things run smoothly.

\*Rain Outs: Please check [cityofiona.org](http://cityofiona.org) and coaches emails in case of bad weather. Coaches will then be responsible to contact all team members.

\*Just a note: If you make your batting lineup at the beginning of the season and just rotate the person on the top to the bottom of the lineup every game, everyone gets a chance to bat first and last. If parents know this, they will get the kids to games on time and will not complain that their kid is not batting as much as everyone. If they are late, they will just miss their turn to be first. This is just a suggestion. You may do your line-up however you wish.

**CRIMINAL BACKGROUND CHECK WAIVER AND RELEASE OF ALL CLAIMS**

Please read this form carefully and be aware that by agreeing to allow the City of Iona to investigate your criminal background, you will be waiving and releasing all claims for damages you might sustain out of the **criminal background check** and review.

I understand that a successful criminal background check is a condition of my employment/volunteerism with the City of Iona. Furthermore, I understand that providing false information will result in a negative background check and you will not be allowed to be an employee or volunteer for the City of Iona.

I agree to waive and relinquish all claims I may have against the City of Iona and their officers, agents, servants and employees, as a result of participating in the criminal background check.

I do hereby fully release and discharge the City of Iona, their respective officers, agents, servants and employees from any and all claims from damages which I may have or may occur to me on account of the results of any aspect of the criminal background check.

I understand I will not be able to work or volunteer in any manner until this background check is complete and approval is confirmed through the Iona Police Department.

I understand background checks for employment/volunteerism with the Iona Sports Program will be valid for the current calendar year, the positive check was completed, and the following calendar year.

I have read and fully understand this Waiver and Release of All Claims.

Please read carefully and print clearly.
