Low- Income Home Water Assistance Program

We would like to remind you of our partnership with the Idaho Department of Health & Welfare for the Home Water Assistance Program. The program is designed to help residents that need assistance paying water and wastewater bills. You will need to apply through one of our available agencies. For more information contact one of the following agencies: Eastern Idaho Community Action Partnership (EICAP) at www.eicap.org or at 208-522-5391 and Community Council of Idaho (CCI) at www.communitycouncilofidaho.org or 208-454-1652.

Snow is not allowed to be shoveled into the street from your property. Those who are physically or mentally impaired in a manner that makes snow removal impossible, pregnant women, or residents over 80 years of age, are exempt from snow removal, and can call the City at 208-523-5600 to have the snow the plow moves into their driveway removed by the City

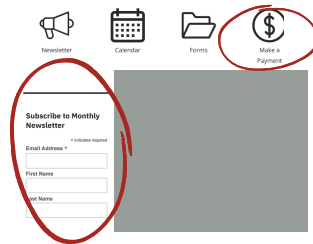

Reflective Driveway Markers

Reflective Driveway Markers are permitted in the City as long as they do not have any metal base. Metal reflectors could harm the City's Snow Removal Equipment, and cause delays that would be inconvenient for all of our residents.

Online Payments and Newsletter

You can opt out of paper statements and pay online by going to cityofiona.org and clicking on the money sign.

This will take you to our payment page through PSN. Unfortunately this will prevent you from receiving a paper newsletter, so please sign up to receive an e-mail copy to your inbox by filling out the form on the left side of the page.

Prepare Your Mailbox

In order to avoid a runaway mailbox, please ensure that your mailbox is properly secured to its base for the winter season. If they are loose there is a greater chance they will break during a snow removal event.
