## Community

### A Note from Mayor Gubler

The City of Iona has historically allowed motorcycles, four-wheelers, and side-by-sides to be driven on our city streets. With this privilege comes responsibility. Riders are expected to obey all traffic laws, including posted speed limits.

According to state law, children under the age of 18 are required to wear helmets. Unfortunately, many are choosing to disregard this and other safety rules. It is becoming increasingly common to see children on four-wheelers and side-by-sides without helmets, carrying more passengers than the vehicle was designed for, and ignoring traffic signs. Stop signs and speed limits exist to protect everyone.

In addition, dirt bikes and similar vehicles being driven at excessive speeds not only endanger lives but also violate the city's noise ordinance.

We ask all residents and visitors to please follow the rules so that we may continue to enjoy these privileges safely as a community.

If you witness someone driving dangerously, excessively fast, or erratically, please contact Mayor Gubler.

### City Office Closed for Labor Day

The City Office will be closed Monday, September 1st in observance of Labor Day.

### Mayor's Youth Advisory Council

The Mayor's Youth Advisory Council (MYAC) will be starting back up on Wednesday, September 10th. Meetings will be held at the City Building on Wednesdays at 8:30 p.m.

MYAC is a great opportunity to get involved in the community, develop leadership skills, and make new friends. Applications are available online at [cityofiona.org/MYAC](http://cityofiona.org/MYAC). For more details, please contact the City at 208-523-5600 and ask for Heather or email: [deputyclerk@cityofiona.org](mailto:deputyclerk@cityofiona.org)

## Public Works

### Tree Trimming

The Public Works Department will be trimming trees in September and October. City Code § 8-4-11 states that if you have trees or shrubs on your

property, you are responsible to trim or remove any parts of that plant that overhang or project into any public street, sidewalk, alley, or easement.

If you have trees, or for more details please visit [cityofiona.org](http://cityofiona.org) and scroll to the bottom, or scan the QR code

### Back To School

Iona Elementary started its classes on Monday, August 25th. To prioritize the safety of our children, please follow all traffic regulations. Note that driving or parking on bike paths is prohibited. We kindly request that parents dropping off their children at school use the designated drop-off lane in front of Iona Elementary. Wishing everyone a wonderful school year ahead.
