

# 2026 City of Iona Events Sponsorship Opportunities

The City of Iona continues to grow and thrive, and it is with great pride that we invite you to join us for another exciting year of community celebration. As we look ahead to 2026, we are honored to embrace the Semiquincentennial of the United States—our nation’s 250th anniversary—with the theme:

**“Pioneers of the Past, Patriots of the Future.”**

This theme not only reflects our country’s historic milestone but also honors the spirit of Iona itself: a community built on heritage, strengthened by unity, and looking forward with resilience and pride. Together, we celebrate the vision of those who came before us while creating a vibrant and enduring legacy for future generations.

Your partnership makes all of this possible. We deeply value the support of our sponsors—not only because you serve customers here in Iona, but also because your employees and their families are part of this community. When you invest in Iona’s events, you are investing directly into the lives, traditions, and connections that make this city such a special place to live and work.

In 2026, we are excited to expand our sponsorship opportunities. In addition to our traditional annual sponsorship tiers, we are offering more tailored ancillary sponsorships designed to give your business meaningful and visible ways to connect with residents. Whether it’s sponsoring our signature events like **Iona Days**, the **Easter Egg Hunt**, **Halloween Carnival and House Decorating**, **Veterans Day Program**, or helping support newer traditions such as **Summer Fun Nights**, your contribution strengthens the fabric of our community while giving your business genuine recognition and goodwill.

We are proud of the city we are building together and grateful for the role our sponsors play in shaping its success. On behalf of the City of Iona, thank you for your continued partnership and your commitment to this thriving community we all call home.

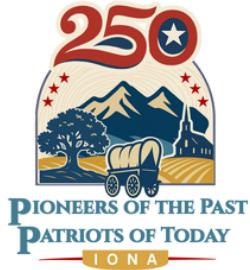

We invite you to review the 2026 sponsorship packet and would be happy to meet with you personally to discuss opportunities that align with your goals.

Thank you for your consideration,

Andy (Andrea) Bunderson  
City Events Coordinator

## ANCILLARY SPONSORSHIP OPPORTUNITIES

### | A Note Regarding Ancillary Sponsorships |

Ancillary sponsorships provide businesses and organizations with the opportunity to **support specific City events or unique elements within an event** that best align with their community outreach goals and initiatives. These sponsorships offer a **personalized way to engage with residents** while showcasing your organization's commitment to enriching the quality of life in Iona.

Please note: Any advertising or promotional recognition by the City **outside of the sponsored event itself** requires, at minimum, a commitment at the **Entry Sponsor level** (see page 4). This ensures that sponsors enjoy both the tailored visibility of their selected event and the broader benefits of the City's annual sponsorship program.

By choosing an ancillary sponsorship, your organization gains more than simple name recognition. These opportunities:

- Open the door to **authentic community engagement**
- Create **meaningful connections** with residents and families
- Demonstrate your support for **local traditions and initiatives**
- Provide **positive, lasting visibility** through City-hosted events and promotions

Ancillary sponsorships are a powerful way to celebrate alongside the community while highlighting your company's values and dedication.
