Sponsorships Needed

The City of Iona is in the process of gathering sponsorships for our community events happening in 2026. In order for us to provide amazing events like the Easter Egg Hunt and Iona Days, we rely heavily on Sponsorships from the surrounding businesses. If you own a business and would like to sponsor, we have some incredible opportunities this year! Or maybe your employer is looking for more exposure and ways to give back to the community? Scan the QR code below to visit our website that includes our Sponsorship Packet.

Door-to-Door Sales

Did you know the City of Iona requires a permit for door-to-door sales? If you have someone come to your door, you are encouraged to request to see their green badge issued by the City. It is required for them to have the permit visible and on hand at all times. The City performs background checks on all individuals requesting to participate in door-to-door sales for all of our residents safety. For more information regarding door-to-door regulations, please refer to Iona City Code: Title 4, Chapter 6

Online Payments and Newsletter

You can opt out of paper statements and pay online by going to cityofiona.org and clicking on the money sign. This will take you to our payment page through Our Community Connect. Unfortunately this will prevent you from receiving a paper newsletter, so please sign up to receive an e-mail copy to your inbox by filling out the form on the left side of the page.

Public Works

Winter Parking Restrictions

Per Iona City Code § 9-4-5(C), "It shall be unlawful to park or place any vehicle upon any road way as defined above, from and including the period commencing on November 22nd to and until April 10th of the following year, between the hours of 5:00 a.m. and 5:00 p.m., Monday through Friday..

Snow Removal

We would like to remind all residents that every person who owns property within the City shall remove any snow, ice, and other obstructions or dangerous conditions upon any sidewalk abutting their property within twenty four (24) hours following a precipitation event. No person shall park a motor vehicle, trailer, or equipment on the streets or in the swells, during or following a precipitation event snow is not allowed to be shoveled into the street from your property.

Prepare Your Mailbox

In order to avoid a runaway mailbox, please ensure that your mailbox is properly secured to its base for the winter season. If they are loose there is a greater chance they will break during a snow removal event.

Reflective Driveway Markers

Reflective Driveway Markers are permitted in the City as long as they do not have any metal base. Metal reflectors could harm the City's Snow Removal Equipment, and cause delays that would be inconvenient for all of our residents.

Public Hearings

No Hearings

There are no Public Hearings scheduled for the month of February.

Local Events

Volunteers Needed

We need volunteers, like you, to help with upcoming City Events. There are many opportunities and various ways to contribute.

We have a sign-up sheet for those who would like to help fill some of our thousands of Easter Eggs! Follow the QR code or call/email the City for more information: office@cityofiona.org
